

AerieHQ Principal/Admin Guide

AerieHQ school resource. Built for authorized school-managed instructional use.

What principals can see

- Active teacher rooms.
- Connected student counts.
- Student connection status.
- Room-level visibility for instructional oversight.

Recommended usage

- Use AerieHQ for instructional visibility and support, not informal discipline without school policy.
- Coordinate with IT if rooms or students are missing.
- Confirm teachers are following classroom rollout procedures.

Common statuses

Status	Meaning
Joined	Student is in the active teacher room.
Waiting	Student is connected but not matched/joined to the room.
Offline	Student device/account is not connected.
Missing	Student appears on roster but is not joined.

Note: Schools should review privacy, student notice, and data-processing documents with their internal leadership and legal counsel before broad deployment.
