

AerieHQ School Overview

AerieHQ school resource. Built for authorized school-managed instructional use.

What AerieHQ provides

- Live student screen monitoring.
- Open website / push URL.
- Close active tabs.
- Focus Mode with allow-list/block-list.
- Lock/unlock screens.
- Broadcast and private messaging.
- Raise hand / help requests.
- Shared Chromebook student identity.
- Roster import and auto-join.
- Principal/admin visibility.

Best-fit environments

- Managed Chromebook programs.
- Shared Chromebook carts.
- Computer labs.
- Charter school networks.
- Private schools.
- Small and mid-size districts.

Teacher/device model

- Students use managed Chromebooks. Teachers can use Windows or Mac computers with Chrome browser. Principals use the web admin portal.

Note: Schools should review privacy, student notice, and data-processing documents with their internal leadership and legal counsel before broad deployment.
