

AerieHQ Student Privacy Overview

AerieHQ school resource. Built for authorized school-managed instructional use.

Plain-language overview

- AerieHQ is used by authorized schools to monitor and manage student activity on school-managed devices during instructional sessions.

Information AerieHQ may process

- Student name and school email.
- Device/session identifiers.
- Classroom room code and roster status.
- Connection status.
- Screen preview frames during classroom use.
- Teacher commands and student help requests.

Privacy commitments

- AerieHQ does not sell student data.
- AerieHQ does not use student data for advertising.
- AerieHQ does not use student data for consumer profiling.
- Use should follow school policy, parent/student notices, and applicable student privacy requirements.

Note: Schools should review privacy, student notice, and data-processing documents with their internal leadership and legal counsel before broad deployment.
